Continue following Great Northern Hwy until you pass through the town of Bindoon. About 4km the other side of Bindoon opposite the pub you will turn left down the Bindoon-Moora Road. You then follow that for about 84km and turn right onto Wheatbin Road, the speedway is located about 1km down this road.

### **NOMINATIONS**

Nominations for this event will be closing on 18<sup>th</sup> January 2017. Please ensure that the online nomination form on [www.dmawa.com.au](http://www.dmawa.com.au) is fully completed prior to the 18th January 2017 to avoid any late nomination fees. An invoice will be provided on receipt of nomination for the fee amount. This fee amount must then be paid within 5 days of DMAWA sending out the invoice.

Interstate visitors will not receive an invoice as their nomination fee is waived as part of their tow package by both DMA and DMAWA.

### **TOW MONEY & PRIZE POOL**

Enquiries regarding tow money allocations for interstate travellers and prize money can be made direct to [dmawa@live.com.au](mailto:dmawa@live.com.au)

After all nominations have been received tow monies will be calculated and team owners/drivers will be informed, we will endeavour to help interstate teams as much as possible.

If there are late nominations from interstate after the cut off date these teams risk a reduction in tow monies as the prize pool would have already been calculated.
